

## VOLUNTEER DRIVING – THE MOTOR INSURANCE COMMITMENT

Motor insurers recognise that policyholders who want to help their communities through volunteer driving need clear and accurate information. We've put together the list below to help. The information is also contained in a document that you can print and distribute. That document can be found on the right-hand side of this page. Please note that this list will be updated as and when any changes are notified. Please ensure you have the latest version by checking our website.

First, check who your **insurer** is. This information will be on your policy documentation. Sometimes this is different from the company who sold you your insurance. It is important to remember that this commitment applies to private cars insured on private car insurance policies only, except where clearly stated below. Remember also that when you declare your annual mileage when buying insurance, you should include your volunteer driving in that.

Check on the list below, and you will see any conditions around volunteer driving that your insurer might have. Some insurers want you to contact them to let them know if you do volunteer. Contact information is either provided below, or can be found on your policy documentation.

Please note that Community First Responders and other 'Blue Light' volunteers are generally excluded from the volunteer drivers commitment. Some insurers have indicated that they would offer cover on the same basis as for other voluntary activities that are covered, so we recommend that anyone wishing to volunteer their time to this service should contact their insurer or broker directly using the contact details provided in their policy documents or below.

Current HMRC mileage rates can be found at [www.hmrc.gov.uk/rates/travel.htm](http://www.hmrc.gov.uk/rates/travel.htm)

***Our commitment:***

***The insurers named will insure their policyholders to carry out voluntary driving, that is, the use of a vehicle they own in connection with, or for the benefit of, charities, voluntary organisations, clubs or societies, under the conditions set out below, where payment does not exceed the HMRC mileage rates in force at that time. This does not cover use for hire or reward or vehicles owned by, hired to or lent to the voluntary organisation.***
